

## BATTCOCK CENTRE FOR ASTROPHYSICS

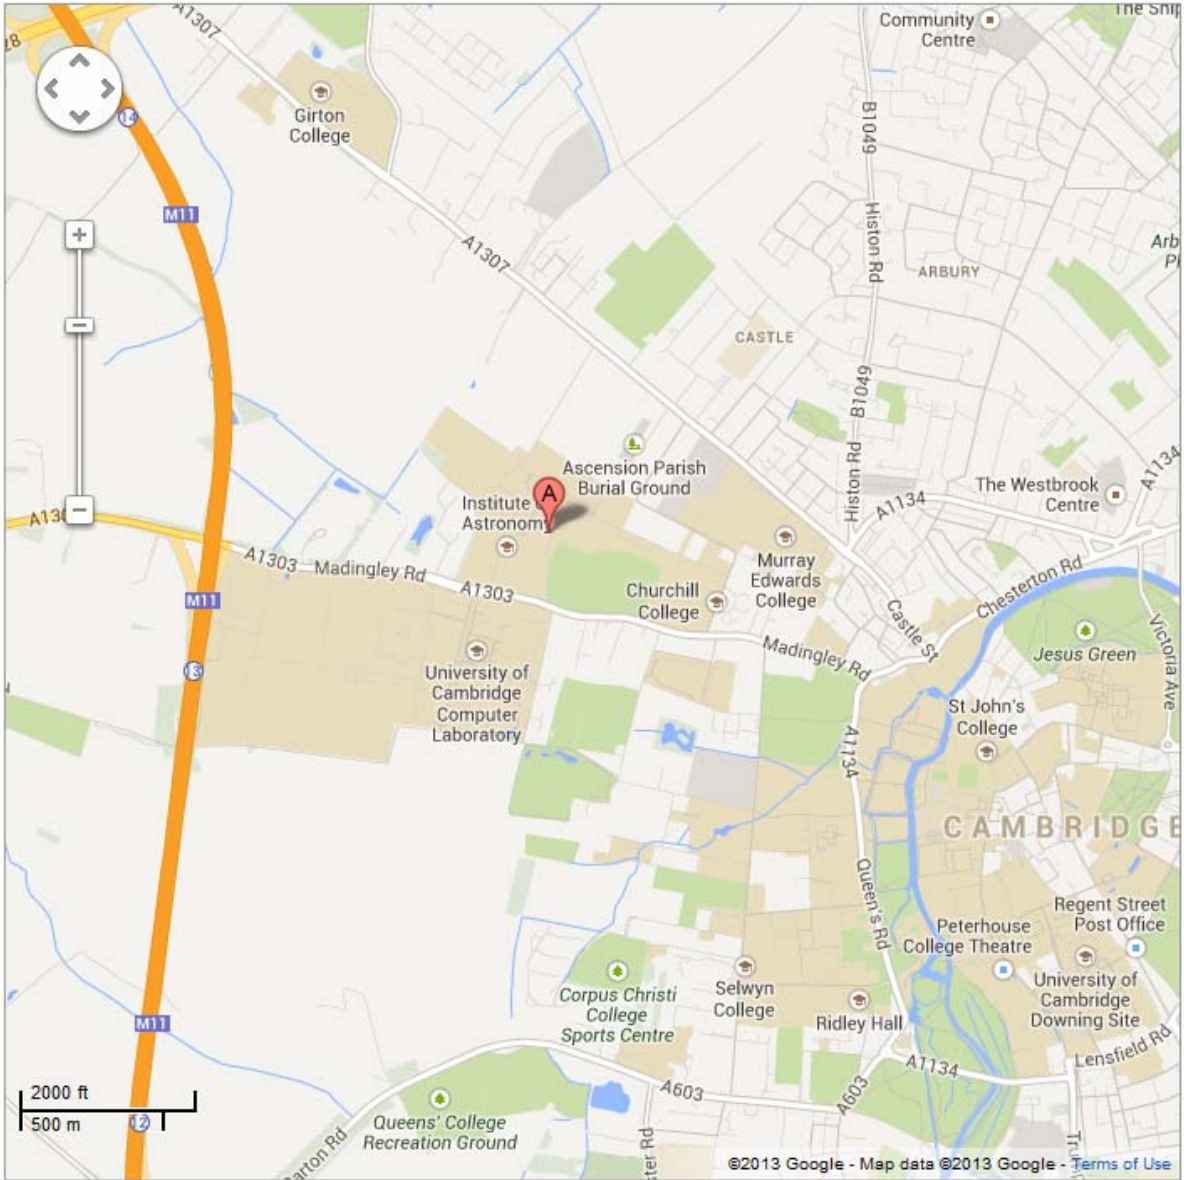

The Battcock Centre for Astrophysics location is shown in the area map above.

On arrival, please follow the black arrows for visitor parking (P1) from Madingley Road. Leave your vehicle here and follow the orange arrows on foot for visitor entrance (E1).

If the visitor parking area is full, please use the alternative car park by following the purple arrows (first returning to Madingley Road). Please ensure you park in the car park to the rear of the Institute of Astronomy car park (labelled P2). Leave your vehicle here and follow the orange arrows on foot for visitor entrance (E1).

There is a doorbell to the right of the main entrance (E1). Please ring this and wait for an answer.

Alternatively, if you have been asked to enter by one of the other entrances (E2 or E3), please enter and locate the person you are visiting. The Reception area can be found on the lower floor near entrance E1.
